This is to certify that Malik Saad Ahmed Awan successfully completed an internship with AgileForce as a Data Science Intern from July 09, 2025 to Sep 22, 2025.

During the internship, he worked with our data team, gaining hands-on experience in data processing and modelling. Saad contributed to various projects aimed at improving business insights and decision-making. He was actively involved in:

- Assisting in the development and testing of AI tools.
- Transforming and analysing large datasets .
- Conducting research to enhance algorithm efficiency.
- Collaborating with team members to integrate data-driven solutions into real-world applications.

We found Saad to be diligent, motivated and quick to adapt to new challenges. He displayed a professional attitude, eagerness to learn and a genuine interest in advancing AI-driven innovation.

We appreciate Saad's valuable contribution to our team and wish him every success in his future academic and professional pursuits.

Sincerely,
Syed Saad
